

ELVES GONE WILD

by
sandi craig

Genre: Family Christmas Comedy

Logline: A young girl gets Santa Claus elected President through a social media campaign, but because he has to bring along some of his wildest elves, Christmas gets cancelled.

Synopsis:

Dottie, a precocious 10-year-old gets SANTA CLAUS elected President through a social network campaign.

Santa reluctantly agrees to serve as President, but he's forced to take along seven of his most troublesome elves that run wild in D. C.

Meanwhile, the toy-making operation at the North Pole gets way behind schedule.

Santa Claus has to juggle the job of President along with problems back at the North Pole.

It looks like Christmas isn't going to happen, but Dottie comes up with a plan that could save Christmas.
