“Sometimes the pawn controls everything”

Genre: Psychological Thriller

Logline: A spurned woman must destroy her husband’s psycho killer mistress before she and her son are the next victims.

Fiona Foster discovers that her husband’s mistress kills people.

When Fiona learns that her husband is leaving her to marry a woman he met online, she doesn't handle it well. She resolves to find some dirt on the mistress.

But the mistress has targeted Fiona and her family from the beginning.

The mistress has plotted for years to take what she believes is rightfully hers -- Fiona's husband. And the mistress has another surprise—she’s using Fiona's son to help drive Fiona crazy.

But Fiona’s son has his own little game.
